

PREREGISTRATION: 8AM Monday, July 1 – Sunday, July 7

(This process is NOT required for camping at the Walnut Valley Festival and should be ignored by any patrons who do not wish to take part in BOTH Lineup AND Land Rush)

You may preregister for Land Rush by prepaying WVF rough camping fees for 1 camping spot (\$225 + service fees) per transaction. This fee covers camping without electricity for Walnut Valley for 15 days (September 7 - 21) at \$15 per day. Electricity is not available during preregistration but will be available to purchase upon arrival to grounds.

At the time of preregistration, you will be able to select an available row or the system will assign you to the earliest available (see first note below): A-D for West, A-H for Pecan. This Row will be noted on your receipt email which will come from ETIX. All rows will have 50 spots available per campground.

We will take preregistrations by the form below as well, but you will be placed in the earliest row remaining when we enter your registration in the system. Completed forms must be mailed (postmarked June 28- July 7) or dropped off at our office in downtown Winfield during regular business hours (M-F: 9am-12pm, 1pm-5pm) while preregistration is open to be accepted and will be entered into the system in the order received. Please note that no mail or walk-in registrations will be entered before 1pm on July 1.

In early August, preregistered campers will receive a message (by email if provided, by regular mail for others) with their Row Assignment Form and more specific instructions including their assigned time for Lineup on September 7. **THIS FORM MUST BE PRINTED BEFORE ARRIVAL AND DISPLAYED PROMINANTLY AT LINEUP.** Be sure to verify that hg@wvfest.com is on your email's safe sender list to ensure delivery.

Please Note

- Spots become unavailable when placed in a person's cart and return to the available inventory if the purchase is not completed. As a result, rows that previously showed they were full may reopen as spots return to the inventory.
- Anyone who preregisters online before mail and walk-in preregistrations are entered will have earlier Row Assignments available to them.
- Do Not Preregister unless you intend to take part in **BOTH** Lineup (September 7) **AND** Land Rush (September 12). Preregistration fees pay for rough camping starting on September 7 and will not be refunded (part or whole) if you don't arrive at that time.
- Campers who are unable or elect not to preregister are still welcome to come participate in Lineup. Anyone who did not preregister will be placed at the end of the Pecan Grove or West Campground lines after all preregistered rows are processed.
