

# Feisty Kids Camp 48.5

Erin Mae Lewis & Aaron Fowler, Teaching Artists

## Instruments from recycled material!

We invite you and your kids to make instruments from recycled materials. Look around your house and see if you have any of these items. Then get creative in making them into instruments. They could be drums, shakers, strummers, or woodwinds!

- ✓ empty plastic water bottles
- ✓ empty pop bottles
- ✓ tin cans-any sizes
- ✓ coffee cans
- ✓ plastic tubs (yogurt, butter, cottage cheese...)
- ✓ paper towel and toilet tissue rolls
- ✓ small cardboard boxes
- ✓ shoe boxes
- ✓ rubber bands
- ✓ dry beans (navy, pinto, split peas...) or rice

Here are a couple of links to give you ideas if you're not sure what to do with these supplies:
